*Website URL's should be tested by the instructor prior to submitting them on your spreadsheet to make sure they are working.

County Winners: Registration closes for State on March 20th, 2024. Please note that if a Group Project was selected as a County Winner and wants their project to be considered at State, **ALL participants of that group must register AND pay the State registration fee whether they attend or not.** The fee for 2023-24 is \$105 per student. A school can also elect to cover the fee if they so choose.
