<u>Introduction</u>

        The word "terrorism" is defined as, "the use of violence and intimidation in pursuit of political aims." The use of the english word " terrorism" started during the French Revolution's Reign of Terror. It has been going on ever since. Now terrorism
Consists of guns or bombings. Most of the time people don't know what the reasons for terrorism are but the effects are devastating. Terrorism causes panic all over the world. One of the current problems is the Islamic State of Iraq and Syria (ISIS). A terrorist group almost everyone fears.. Terrorism mostly occurs in The middle east, but happens almost everywhere. The United Nations has formed a global counter- terrorism strategy to combat terrorism. As of September 8, 2006.

<u>The issue in Egypt</u>

        Terrorism has been going on in Egypt since 1943. Most terrorist attacks in Egypt are linked with Islamic Extremists. Egypt has taken the leading role in fighting terrorism by proposing a Middle Eastern anti-terrorism force to combat terrorism.although they have been not been formed yet. Fortunately Egypt has one of the biggest military forces in the middle east. In Egypt, terrorism happens a lot. The worst case the Luxor Massacre which took place on November 17, 1997, when 6 men disguised themselves as workers and snuck into the Luxor construction site and killed almost 150 people.

<u>What should be done</u>

Egypt's president, Abdel Fattah Al Sisi, urged the world leaders at the UN to confront extremism. "Terrorism is a plague that does not differentiate in its spread between developing and developed societies." Said the president, pointing out the legions security issues could be promoting law and ensuring equality among people. Egypt thinks the international community should try harder to address the issue of terrorism in the world.

<u>Conclusion</u>

Egypt believes that terrorism is something that needs to be dealt with globally. Since the rise of ISIS, terrorism has been looked at at in a much greater perspective. They have taken so many

lives, telling people that the UN needs to address terrorism more. Ever since 1943, when terrorism first started in the country, Egypt has been fighting it. Egypt believes the UN should make more of an effort to combat terrorism and stop it from affecting the lives of many.
